The LivingFree® Smoking Cessation Program

Quitting tobacco may seem impossible, but it's not. It's simple when you know how.

LivingFree is unlike anything you've seen before. We've been helping people quit smoking for over 3 decades. We can help you too.

Imagine breathing easy, feeling vibrant and alive. Imagine absolute freedom. You can do it.

How it works

As a smoker, certain beliefs and thought patterns have kept you from quitting tobacco.

LivingFree is an online video-based coaching course designed to:

EXPOSE FALSE BELIEFS

Discover why you really use tobacco (hint: it's not what you think), and learn how your subconscious mind tricks you into experiencing the urge to smoke or chew.

DESTROY SELF-DEFEATING THOUGHTS

Master a simple technique that instantly neutralizes the thought patterns that create your tobacco cravings.

FLAT-LINE YOUR URGE TO SMOKE

Rewire your brain so you no longer care about smoking or chewing. Imagine the freedom of being around your favorite smokes without even wanting one!

Here's the main point: once you complete LivingFree, you will no longer feel the need to smoke.
